CHIRON HEALING® PRACTICAL ASSESSMENT APPLICATION FORM

Practical Assessments may be undertaken by any person who has completed the required units of study.

All applications for Chiron Healing® practical assessments must be made on this form and accompanied by the correct application fee.

Failure to comply with the correct procedure may result in delays with your assessment application.

PROCEDURE: (Please see IACHI Student Logbook for further details)

1. Complete this application form and send to AESC with the correct application fee. (Your assessment fees are forwarded to the IACHI Treasurer for processing and a receipt will be issued in due course if required).
2. AESC will appoint an accredited Chiron Healing® Assessor to conduct your practical assessment(s). (Applicants may request an Assessor of their choice, providing the Assessor is IACHI qualified for the particular level assessed, and is available).
3. The Assessor then contacts you to set a date and time to conduct your practical assessment(s).
4. **ON THE ASSESSMENT DAY:**
 - a) Arrange for someone to accompany you to act as your "patient".
 - b) Arrive at the venue in plenty of time for your assessment. Make sure to bring relevant manuals and anything else you require.
 - c) The Assessor will confirm the assessment(s) being attempted, and check that application fees have been paid.
 - d) You then proceed with your 'open book' practical assessment.
5. Once the Assessment process has been completed you will receive notification of the outcome:
 - a) **Successful Assessment** – a "Certificate of Competency" will be issued to you.
 - b) **Unsuccessful Assessment** – you will be notified of the area(s) where improvement is required. You may discuss these areas with your Teacher or Assessor at a convenient time.
