RECOGNITION of PRIOR LEARNING - APPLICATION FORM

Applications for Recognition of Prior Learning (RPL) may only be made on this form. Both pages of this form must be completed and all documentation supporting this application must be attached.

RPL applications are processed by the AESC Committee, and they are considered on an individual basis. Industry experience will be given consideration, based on how relevant, recent and extensive the experience. The AESC decision is final.

Upon consideration, your application will fall into one of the following four categories:

1. **Full Recognition** – full credit hours given for the course. No further study or assessment required.
2. **Partial Recognition** – credit given for part of the course hours. Further studies required to complete hours.
3. **Assessment required** - may be in the form of written assignment, written or oral exam, practical demonstration or a combination of the above. A fee of \$40 AUD is incurred for each subject assessed and must be paid prior to taking the assessment. This fee covers individual preparation and marking of each assessment.
4. **Unsuccessful recognition / assessment** - enrolment in subject is required.
5. Once the RPL process has been completed you will receive notification of the outcome. Successful applicants will receive a certificate to show the subject(s) and credit hours.
